

TradeRisk

Stay ahead of policy shifts. Protect your trade, protect your clients.

Government policy changes can disrupt cross-border trade overnight - blindsiding clearing agents and their clients. Wif your business wants to be prepared for sudden tariff adjustments and receive instant notifications of financial impact the moment changes are proposed, you'll appreciate the power of **TradeRisk**.

TradeRisk is purpose-built for clearing and forwarding agents. It transforms complex policy updates into actionable insights - instantly.

Don't let policy changes catch you off guard. Equip your business with **TradeRisk** today and turn uncertainty into opportunity.

We have industry-specific solutions

So, whether you are a clearing and forwarding agent, a bank, or a credit insurer, we have solutions that will enable you and your customers to become world-class trade champions.

Know what's coming your way with TradeRisk

Alerts & Visibility

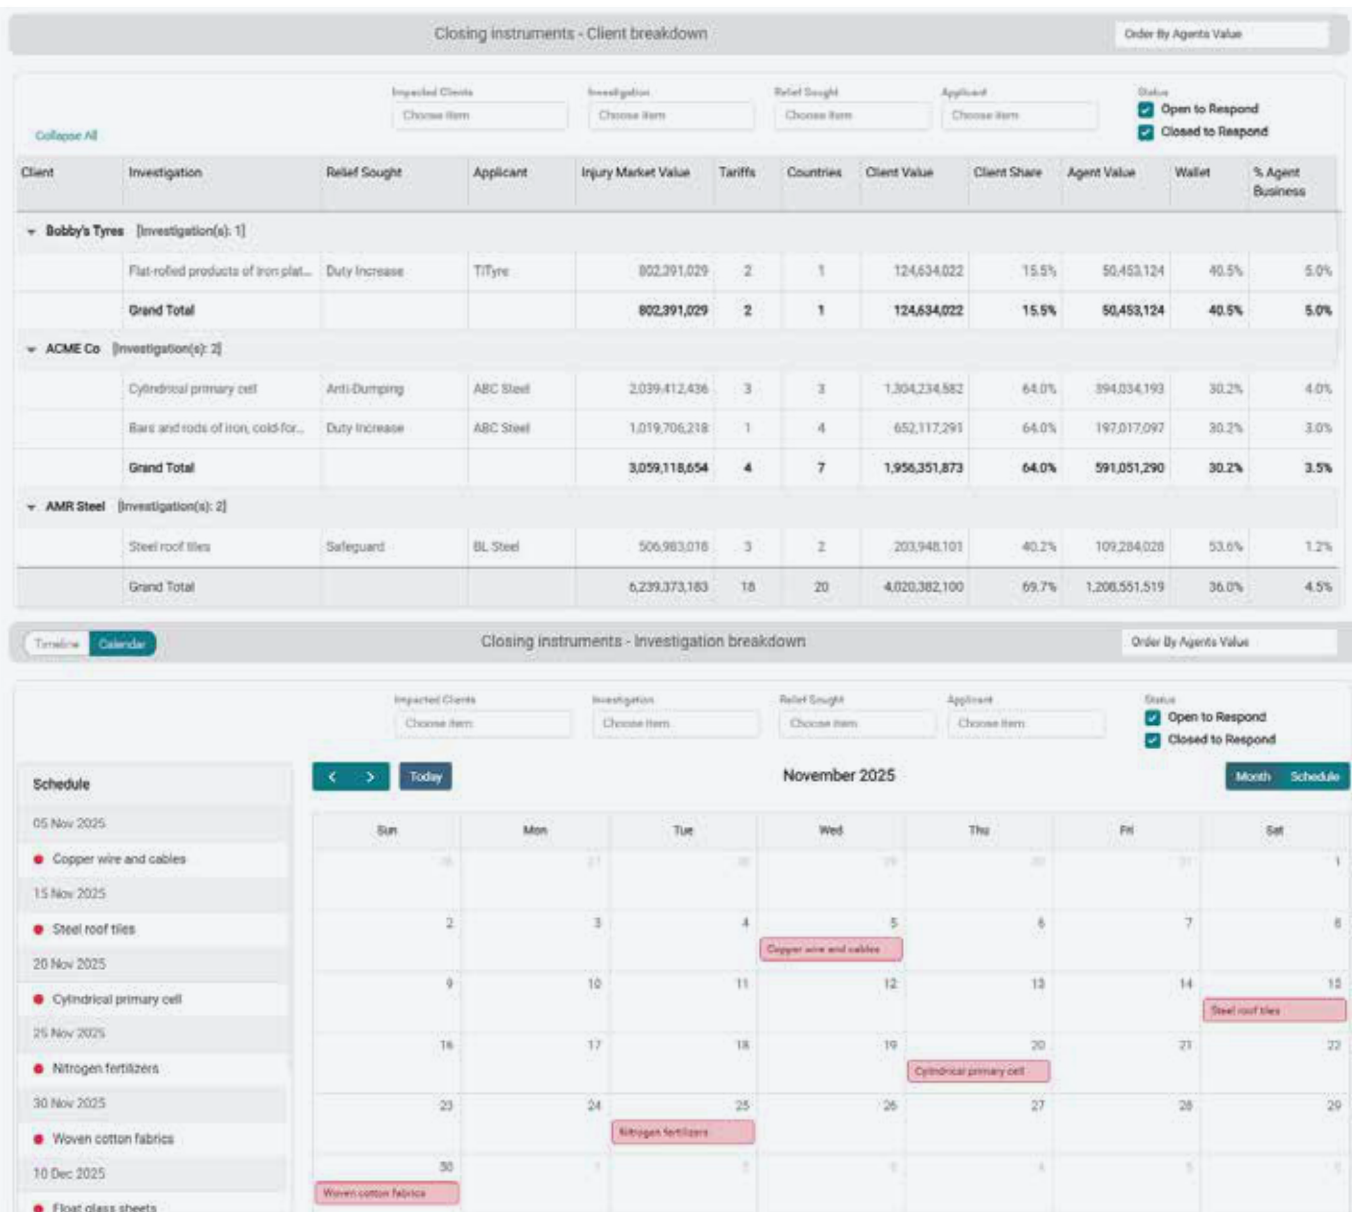

- Real-time notifications when a proposed policy change is gazetted
- Centralized dashboard to view all risks in one place

Impact & Analysis

- Financial risk visibility: exposure, vulnerable industries, and client financial impact
- Detailed analysis of how policy changes affect your business and your clients

Communication & Planning

- Ready-to-send emails to your clients (white-labelled email alerts branded with your logo)
- Constant reminders to act before changes take effect
- Better sales planning: identify industries to tread carefully or avoid altogether
